

**Job Title: Assistant Carpenter**

**Job Description**

Assistant carpenter will work with the lead carpenter, and design and management team on projects such as building new single family homes, additions, decks, and other new structure development. Work will consist of framing and finish carpentry. The assistant carpenter will be directly responsible to our Lead Carpenter.

**Primary Responsibilities**

- Carpentry labor
- Jobsite preparation and clean up
- Protecting customer's property from undue dust and debris.
- Assisting the lead carpenter in managing safety, quality and productivity of work at job sites
- Performing preventive maintenance on tools and equipment by conducting inspections, lubrication, and cleaning on daily basis

**General Qualifications and Requirements**

- Must be authorized to work in the U.S.
- Must provide his/her own vehicle (valid driver's license and insurance required) and be able to travel to job sites anywhere in King County
- Must be able to perform physical exertion typically found on construction sites (i.e. carrying, lifting, climbing), work inside and outside, on even and uneven surfaces, on roofs and ladders.
- Must be organized and detail oriented
- Must be able to communicate with customers in a courteous manner

**Education**

- No specific education required, but High School diploma or equivalent preferred.
- Knowledge of specific materials, methods, tools and equipment required.

**Compensation:**

- \$17-\$20/hr, DOE, paid vacation and sick leave, paid holidays, mileage reimbursement
